

Greater Vancouver Comets

The Comets Mission:

to ensure that every one of our players has a great U18 experience and that they are prepared to be the most successful person they can be when they get to the next chapter of their life. We believe hockey is a great tool to prepare these young women for things they might face in college, future careers, and family paths. Through GV Comets hockey they learn about teamwork, leadership, pressure, loyalty, discipline, adversity, family, pride, passion, integrity, and much more.

The Comets Values:

Pride - A GV Comets hockey player will take pride in themselves, their program, and school.

Intention - When you are intentional, you are disciplined, focused, and purposeful and our athletes will strive to embody this core value each day.

Integrity - A GV Comets player will be honest, respectful, responsible, and kind.

Empowerment - A GV Comets Hockey player will be empowered to strive for the best version of themselves both on and off the ice.

Loyalty – The team's success will always come before personal gain. We gain each other's trust by being honest caring and compassionate.

Family - When you decide to be a part of the GV Comets Hockey team, you are joining a family.

2022-2023

Shannon Morris-Reade

General Manager, Greater Vancouver Comets

Dear Prospective Sponsor,

Thank you for taking the time to consider sponsoring the Greater Vancouver Comets. Over the course of three seasons, our program can cost up to \$50000. To make the program more accessible to families we are looking for your help! We are seeking sponsorship to assist with some of the costs associated with our program operation, including expenses incurred through off-ice training and additional on-ice skill development. Our team also experiences increased costs, particularly our tournaments which are in the USA and Ontario. BC does not have as many opportunities for female hockey players to be seen or recruited. Therefore, the majority of exposure to scouts and coaches is obtained by traveling, which can become a large added cost to our team fees. Our girls dream of the opportunity to play collegiate athletics. 94% of women in business and leadership positions were once athletes, over half of which played collegiately. With your sponsorship, we can keep our girls visible and in the eyes of opportunity.

By sponsoring the Comets, you'll have the opportunity to reach a large, engaged audience. The Comets offer several opportunities to effectively promote our sponsors and acknowledge their support and generosity throughout the season. Our sponsorship packages include advertising on our website, during games, and on social media platforms.

The Comets are also willing to work with the sponsor directly to determine the right sponsorship package for them!

Your company will also receive a thank you letter and team photo from us!

We greatly appreciate your generosity, helping us reduce the financial burden on our families. Any contribution you're able to make is tax-deductible and sincerely appreciated by the entire club, especially our young athletes.

I look forward to speaking with you about putting your sponsorship into action.

Sincerely,

Shannon Morris-Reade
